Ken Hughes, Facilities

RE: FIRST ORGANIZATIONAL MEETING TO PLAN FOR OPEN HOUSE - MARCH 9-10, 1979

Gordon Wilson, Chairman for the Open House Committee, has called the first meeting for:

WEDNESDAY, NOVEMBER 15th

1:00 p.m.

Room NF 203

You have been invited because you have expressed special interest in being involved in the planning - or because you are being asked to represent your area or division. If you are not able to attend, it will be appreciated if you could send a designate.

The agenda for this first meeting will be a general one; mainly to establish what projects are now being planned and to provide a forum for discussion of your ideas and suggestions from your area for Open House.

Your participation is particularly important at this early date so that a good programme can be developed, representing a wide sampling of the activities and enterprising<sup>ings</sup> of the college--and to establish an equitable plan for dividing the special expense fund!

Please plan to attend.
