re: OPEN HOUSE - MARCH 9 & 10, 1979

This is one final reminder of and invitation to the Open House on March 9 and 10 - and a very sincere thank you to so many people who have been working so hard to make the Open House an outstanding event.

I would also like to ask those people who are not participating actively in an Open House event to bear with potential inconveniences to their normal activities on Friday or Saturday; we can expect that many visitors will take the opportunity to roam generally throughout the college. I would only ask that you try to assist any visitors who may wish to obtain directions and information and, more generally, to extend a special courtesy to our guests on this special occasion - despite the upsets to your normal work that this may cause.
