

# Capilano College

OPEN HOUSE

March 9 - 10  
1979

# WELCOME TO CAP COLLEGE!

In our first decade, over 21,000 people have studied in credit courses at the college, with many more coming for interest courses through the Community Education Division.

We are proud of the learning environment at Capilano, which reflects the enthusiasm and inspiration of the people here on campus. Some of what you'll see is a regular "slice" of daily life at the college, and other exhibits have been planned especially for our 10th Anniversary Open House visitors.

We hope you will enjoy exploring the campus. You are welcome here, and the resources of the college are at your service.

## MAPS OF THE COLLEGE ARE INCLUDED AT THE BACK OF THIS BROCHURE

**STUDENT GUIDES:** If you would like to be directed to specific exhibits or shown around the campus ask at the Info Centre Counter in the lobby of the main building.

**FOOD SERVICE FACILITIES:** Will be open...

Friday: Noon to 9:00 p.m.

Saturday: 10:00 a.m. to 9:00 p.m.

Cafetheatre – South Campus

Cafeteria – North Campus

## SPECIAL OPEN HOUSE EVENTS

Wednesday, March 7th      8:00 – 10:00 p.m.

## DISPLAYS AND ALL DAY ACTIVITIES

SOUTH CAMPUS   
NORTH CAMPUS

### ANTHROPOLOGY/SOCIOLOGY

- "At the Movies with Anthropology and Sociology"
- Free popcorn served at all showings!
- See schedule for screening times of:

*"Last of the Cuiva"*: Introduced by Dr. Bernardo Berdichewsky, about a vanishing tribe living in a remote jungle in Columbia.

*"The Inquiry"*: Introduced by Dr. Bernardo Berdichewsky and Dr. Matthew Spier, is the record of the Berger Commission on our northern lands and people. Also: *"The Land is the Culture"*.

*"Ways of Seeing"*, *"This is Marshall McLuhan"*, and *"Adscape"*: Introduced by Dr. Patricia Groves and Sarah Minhas, about advertising through the eyes of sociologists.

*"Afghan Village"* and *"Afghan Women"*: Introduced by Karin Lind, depicting village life and the seclusion of women in rural Afghanistan.

*"Wild Child"*: Introduced by Dr. Patricia Groves, a touching interpretation of the late 18th century discovery of a child who had survived alone in the forests from infancy.

*"Egypte"*: Introduced by Dr. Patricia Groves, a camera journey through the pyramids and tombs of Egypt.

### ART DEPARTMENT

Tower Building

- Student displays and demonstrations in all rooms of the Art area (2nd and 3rd Floors). Ceramics area in the basement will feature raku workshops.
- Visitors will be encouraged to try etching, silkscreening, resist-dying, weaving and spinning.

### ATHLETICS

An information kiosk is situated in the main lobby of "B" building on the South Campus. Find out about the sports activities and see the trophy display, team pictures and uniforms of Capilano College teams.

### BASIC TRAINING AND SKILLS DEVELOPMENT NB Building

- Room NB201: BTSD Chemistry and Physics equipment and model of the human body. Listen to a tape explaining biological functions.
- Room NB202: BTSD course outlines for Communications, Mathematics, Biology, Chemistry, Physics and Earth Science. Watch a video presentation about BTSD.

### BIOLOGY LAB

- Evolution Display: Animal and Human in C-125  
Plant in C-122
- Five million year old fossils
- How to Stop Smoking

### BUSINESS MANAGEMENT

- Computer Terminal Display in C-106  
Student Displays, advertising projects and computer demonstrations.

### BUSINESS TRAINING AND CAREER DEVELOPMENT C Building

- Test your typing, calculator and/or shorthand speeds
- Mini courses (every 45 minutes). Classes will last about 20 minutes, and will be practical discussions on various subjects taught in the department, including legal and Medical assistant courses.

## ☐ CHEMISTRY

- Drop in to the Chemistry Labs: 12:00 to 2:00 p.m. C-131  
2:00 to 5:00 p.m. C-127
- Chemistry Magic Shows (5 performances – see schedule). See Wine from Water, Vesuvius revisited, thunder sticks, Greek Fire, burning water, coal from sugar, money to burn.

## ☐ COUNSELLING

- Plan to stop by the counselling exhibit in the main lobby and talk to some of our counsellors about courses of study at the college. A tape/slide presentation on the college will run continuously there, and you will be encouraged to visit the Career Resource Centre on the 1st floor of the NF building on the north campus.

## ☐ EARLY CHILDHOOD EDUCATION

- Seminar/display “*Children – Visible but Valued?*”. Rooms 101, 105, 106 and 107 of the Tower Building.
- Ongoing activities for children, including films
- Daycare Centre Observation Room open Friday afternoon

## ☐ ENGLISH DEPARTMENT

- Displays of student work, video tapes of poets who have given readings at the college will be on display in the Humanities office area.
- Opportunity to peruse back editions of *The Capilano Review* (subscriptions will be sold at the display).
- “Meet the Authors”: All faculty members at Capilano College who have had their work published and some students from the Capilano Creative Writing Club will be featured. Join them over coffee and donuts and listen to readings. (See scheduled events).

## ☐ GEOGRAPHY

- Special multi-media presentation on the Environment with folksingers, slides and displays. Scheduled 7:00 to 9:00 p.m. Friday evening in the Tower Lounge.

## ☐ GEOGRAPHY/GEOLOGY LABS

C-135

- Meteorological equipment display
- Stream model
- Fossils, minerals, rocks
- Orienteering Courses (see scheduled events and Outdoor Recreation)

## ■ HUMANITIES DIVISION

North and South Campuses

- Modern Languages will conduct short classes where visitors will become the students. All languages taught at the college will be included. The language classes will be held in Room 105 of the NB building, North Campus.
- “*Come Travel With Us*” will be featured on the South Campus in the Humanities Area, main building. Sample international foods, folk singing, dancing, films and slides, skits and music.
- Radio Canada will broadcast in French from a portable booth in the main lobby.

## ■ INTERDISCIPLINARY STUDIES

- Watch a solar panel being constructed outside the cafeteria building, North Campus.
- Information Lecture, Saturday 9:00 – 10:30, ND100

## ☐ LEARNING ASSISTANCE CENTRE

- Located on the main floor of the tower building, Learning Assistance will be open to demonstrate learning techniques and learning aids.

## ■ LIBRARY

North and South Campuses

- Hard-bound books and tapes are housed in the South Campus location in the east wing of the main building. Community members are welcome to join the library (free of charge).
- Periodicals and magazines comprise the collection on the North Campus in ND Building.

## ■ MATHEMATICS LAB

NF108

- Computer Terminal Games (Russian Roulette)
- Problem Corner (prizes!)
- Casino activities with Capilano College play money...and a prize for the person who leaves the casino with the most "money"!
- Game Corner

## □ MEDIA RESOURCES

- Major display of student work in B115/116, main building
- Ongoing screenings of slide/tape programmes, films and video productions.
- Dynamics Lab (adjacent to the main building) will be opened and set up in a formal studio arrangement.
- Visitors are encouraged to participate in various production activities such as being behind the camera, operating the switcher, etc.

## ■ MUSIC

- Displays in the Music Building (NA – North Campus)
- Demonstrations of children's piano classes
- Ask to see and hear the harpsichord
- Check scheduled events for special performances

## ■ OUTDOOR RECREATION

- Special weekend course in Orienteering, with emphasis on the use of maps and compasses. Offered three times during Open House:

Friday (for those new to orienteering)

12:00 – 2:00 and 2:00 – 4:00

Saturday (for those with some experience)

11:00 – 2:00

- Participants are encouraged to register in advance (986-1911, Local 321). An indoor class will be held first in NF206, followed by outdoor practice. Wear comfortable walking shoes or hiking boots. All maps, compasses and other equipment will be provided. There is no fee for this course, which is being offered especially for Open House.
- See the display of mountaineering and backpacking equipment in ND101. Video and slide presentations about the programmes offered will be showing, and faculty members and students will be on hand to answer your questions.
- Film: "How Modern Day Maps are Made"

## □ PHYSICS LAB

C-137

- Display in lab will include:

§ Van de Graaff electrostatic generator (makes hair stand on end!)

§ Laser beam holograms

§ Voice transmission by laser

§ Three dimensional images created with curved mirrors

§ Simulated atom bomb (built by physics students and let off four times each day) NF Building, North Campus

- Free Jumping Discs will be given out as souvenirs

## □ RETAIL FASHION (2nd Floor, Tower Building)

### ● Studio displays will feature:

Textile chemistry display  
Fashion illustration  
The total garment creation process  
Student Creations

- Watch the videotape of the annual fashion show
- Tape/slide presentation on the History of Fashion
- Disco Fashion Show (contemporary fashions) will be presented in the studio Friday at 8:00 p.m. and again on Saturday at 3:00 p.m. This show will be repeated on Saturday evening at 8:00 p.m. leading into the Disco Dance in the Cafetheatre
- Maradadi Boutique (adjacent to the Studio)

## □ SOCIAL SCIENCES

- Special Book Display in Social Sciences Area (Main Building): "Ecology/Environment/Alternate Energy/Alternate Lifestyles"

## □ THEATRE

- Improvisations will be staged in the afternoons on both days of Open House. Weather permitting, they will perform in the open area between the Tower and the Main Building, otherwise in the Reception Area, Main Building.

## □ WOMEN'S STUDIES

- You are cordially invited to discover the Women's Resource Centre (main floor, Tower) to find out about literature and resources that are available. Coffee reception Saturday from 1:00 to 3:00 p.m. Drop in to meet former students and find out about courses and programmes of special interest to women.
