

A Message from North Van Secondary Students!

March 4, 1968.

Dear Householder,

Thank you very much for your support of our Dollars for Scholars Drive.

We would like to remind you that on Thursday, March 7, you have an opportunity to express your opinion by voting on a plebiscite to approve the opening of a Community College in the West Vancouver Senior Secondary School.

Speaking on behalf of many North Vancouver Secondary students, we ask that you vote "YES" on this plebiscite and provide a college for the benefit of both the academic and non-academic students in our secondary schools. We do not feel that any student should have to do without further education when he has the desire to learn but does not have the academic requirements to enter university.

Many students graduate from secondary schools on programmes other than academic and have no opportunity to continue their schooling. The North Shore Community College will provide these students with an opportunity to further their education and thereby become more useful citizens.

We, the students, feel there is a great need for this Community College. We urge you to support us at the poll on Thursday, March 7.

Thank you,

Students Councils of the Secondary Schools:
