

NORTH SHORE COMMUNITY COLLEGE

(Committee)

March 27, 1968.

This letter sent to Principals of elementary and secondary schools in Howe Sound, West Vancouver, and North Vancouver.

TO THE PRINCIPAL AND STAFF

I am instructed by the North Shore Community College Coordinating Committee to extend to you and the members of your staff, on their behalf, their sincere thanks for the assistance and cooperation provided during the recent plebiscite campaign for our community college.

In a project of this nature, the community looks to the teachers as educational specialists for leadership. We believe that the support you provided accounted in great measure for the success of the campaign.

Yours sincerely,

Leslie D.G. Brooks,
Secretary.

NORTH SHORE COMMUNITY COLLEGE

(Committee)

March 27, 1968.

This letter sent to all Student Council Presidents in Sechelt, Howe Sound, West Vancouver, and North Vancouver.

I have been instructed by the North Shore Community College Committee to express their thanks to you and to the members of the Student Council for the fine support that you gave through the schools to our recent plebiscite for a community college.

Irrespective of results, student support was excellent throughout the four School Districts.

Special thanks is in order to the students in the North Vancouver School District who coupled support of the college with their annual "Dollars for Scholars" drive, and to all those in other areas who devised special means and projects to emphasize the need for the North Shore College.

Yours sincerely,

Leslie D.G. Brooks,
Secretary.

A Message from North Van Secondary Students!

March 4, 1968.

Dear Householder,

Thank you very much for your support of our Dollars for Scholars Drive.

We would like to remind you that on Thursday, March 7, you have an opportunity to express your opinion by voting on a plebiscite to approve the opening of a Community College in the West Vancouver Senior Secondary School.

Speaking on behalf of many North Vancouver Secondary students, we ask that you vote "YES" on this plebiscite and provide a college for the benefit of both the academic and non-academic students in our secondary schools. We do not feel that any student should have to do without further education when he has the desire to learn but does not have the academic requirements to enter university.

Many students graduate from secondary schools on programmes other than academic and have no opportunity to continue their schooling. The North Shore Community College will provide these students with an opportunity to further their education and thereby become more useful citizens.

We, the students, feel there is a great need for this Community College. We urge you to support us at the poll on Thursday, March 7.

Thank you,

Students Councils of the Secondary Schools:
