Mr. Leggatt acted as Chairman of the meeting.

It was agreed that an overall study of the four Regional College areas be undertaken in accordance with the terms of a letter from Walter G. Hardwick (Tantalus Research Limited) to Mr. Peter Jones, copy attached. It was also agreed that the cost of this study will be shared equally by the participating college groups and that each Committee should obtain the approval of its Boards for this expenditure.

Mr. McOuat stated that he would put this question to his Board on May 1st; Mr. Leggatt will do so without delay, as will Mr. Jones; and Mr. Hatcher will be in touch with his various Boards as soon as possible. As soon as any information is available, it will be telephoned to Miss Campbell, North Vancouver School Board Office, 987-8141.

It was decided that a meeting with the Minister of Education is not necessary at this time, but that after the study is undertaken the Minister and the Academic Board should be informed and the Minister invited to comment on the terms of reference.

Respectfully submitted,
