There was considerable discussion of notes provided by Peter Wilson of an exploratory conversation held with Dennis Franklin, Secretary of the Academic Board. No conclusions were reached, and the matter was held over for further discussion at a later meeting.

Dr. Wales then gave an explanatory account of the results of the recent Federal/Provincial Conference on Educational Finance and made excerpts available to the committee on the statements of the Honorable Jean Marchand and the Prime Minister. He stressed the importance of the role which should be played by school trustees through the new college organization in ensuring an equitable distribution of the educational funds to be made available to the Province by the Federal Government.

It was agreed that Mr. Jones and Mr. Brooks should meet with Mr. Cocking of the Vancouver Sun to prepare a publicity release.

Respectfully submitted,
