Straight A Students Honored

Two students achieved straight A standing in the spring semester at Capilano with a 4.00 rating, the highest possible.

Peter Bruce, 4728 Cloverly Drive, West Vancouver, and Stuart Douglas Clark, 1716 Mahon Ave., North Vancouver, had five A's in the final examinations.

Peter presently working with a mine exploration crew near Kamloops, is planning to transfer to either SFU or UBC in September.

Bruce, who is married, found the night classes cut into his home life, but it gave him more time to study. He will transfer to UBC this Fall.

Would he enrol in a community college if he were starting all over again?

"I certainly would," he said emphatically. "It was a real experience and I enjoyed the smaller classes, the faculty and the atmosphere."

Tim Hollick-Kenyon, B.A., M.S.W. UBC, Dean of Student Services.

Shirley Guth, M.A. Univ. of Wisconsin. M.Ed. UBC Counsellor.

Marilyn Lamarre, M. A. University Pennsylvania. Student counsellor.
