

March 15, 1971

Dear Colleague,

Attached to this letter is the brochure for the Capilano College Foundation, together with a notice of the Annual General Meeting, to be held on March 30.

We all have students who are in financial difficulties. We have students also who should be recognized for the excellence of their work. The Foundation plans to make \$1800 available for these purposes in the coming year - hopefully the fund will increase rapidly year by year.

Two members of the Faculty Association, Dr. Keith Wade and myself, are ex-officio members of the Executive Committee. We have been very involved with the Foundation since its beginnings and believe that it fulfils a very great need at the College.

We would like to ask you to join the Foundation also. Membership is a small \$5 (income tax deductible) and it entitles you to a voice in the activities of the Foundation.

Fees may be paid to me at anytime, or at the Annual General Meeting. Hope to see you there.

Yours sincerely,

Rat Hutchinson
