**Graduation 1985**

Congratulations Capilano College graduates!

This information pamphlet has been prepared to help you to enjoy the graduation ceremonies at Capilano College. It contains details of departmental graduation ceremonies (time and location), the central graduation ceremony, plus a map of the campus indicating location of ceremonies and available parking. If you require additional pamphlets for guests unfamiliar with the campus, they will be available in departmental offices, at the Student Society office, and at the main reception desk in Registration. Guides will be on campus to greet you and your guests and to provide any necessary information and directions.

Graduation Day will be Saturday, May 11, 1985 on the College campus. All graduates and their guests are welcome. The number of guests each graduate may bring could be limited by the space available. Please check with your coordinator.

This is a day of celebration for family and friends, as well as a social event, so please dress as you would for any special occasion.

Graduation will take place in two segments. First, graduates will take part in certificate/diploma granting ceremonies held by their own departments. All departmental awards, certificates, and acknowledgements will be presented at this time. The following is a list of times and locations for the various departmental ceremonies:

Also at this time there will be a no host wine bar plus free coffee, juice and refreshments. Wine tickets may be purchased prior to the ceremonies from ticket booths located outside of the "B" and "P" buildings.

There is ample parking at Capilano College. Please refer to the enclosed map to see which parking lot is closest to your departmental ceremony. Guides will be available to assist you in this regard.

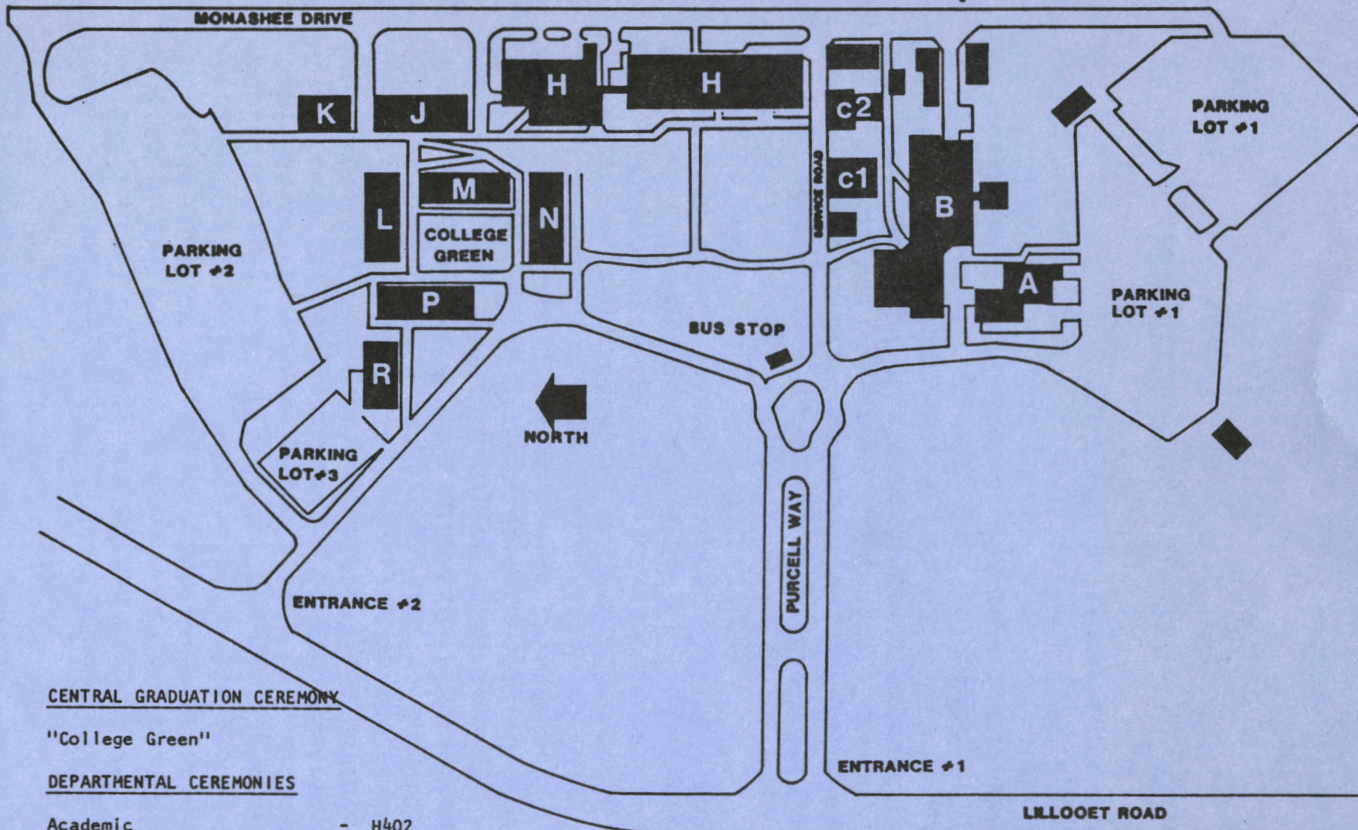

There will be a photographer on hand after the Central Ceremony to take pictures upon request of graduates and their guests. A fee will be charged for this service. The photographer will be located in the "P" building.

We are counting on a glorious, sunny day to enhance the enjoyment of Graduation '85. However, in the event of inclement weather, the Central Ceremony and garden party will be moved indoors to the "N" building.
