CITATION FOR THE PRESENTATION OF
THE GOVERNOR GENERAL'S SILVER MEDAL
CAPILANO COLLEGE - 1974

I particularly appreciate the honour given to me this evening to present to you the candidate who is to receive the Governor General's Silver Medal for the 1974 Graduating Class.

This medal is awarded each year by his excellency the Governor General of Canada to the graduating student who has achieved the best scholastic record in attaining his or her diploma at Capilano College.

Each year the recipient of this medal brings lustre to the award by uniqueness of his or her particular and distinctive characteristics.

This year is no exception.

Let me share with you some of the background of this year's Governor General's Silver Medal winner. This student was born nineteen years ago on March the 29th, 1955, in Vancouver.

She has lived all her life in West Vancouver and attended Westcot Elementary School and Sentinel Secondary School in West Vancouver. After graduating with an outstanding academic record from her secondary school in 1972, this young lady registered at Capilano College in the 1972 Fall term. Her grade point average at the end of the 1972 Fall term was 3.88 out of a perfect score of 4.00. As a result she was placed on the Dean's List for

this term. In 1973 she returned for the Spring Term again undertaking a full Science load as well as one Art course on an audit basis in General Drawing, which is one of her many interests. During the Spring term she achieved a perfect Grade Point average of 4.00.

During the 1973 Summer Break, this young lady was employed in the Operating Theatre of St. Paul's Hospital and returned for a full Academic Science load in the 1973-74 Winter Academic Session. During these two semesters your recipient achieved a straight A record for all ten courses attempted for credit, and took Biology 205, an Ecology course as an overload on an audit basis.

This young lady, when she isn't studying, enjoys playing the guitar, the piano and the flute. In addition to this, she draws, reads extensively, plays chess, sails, and enjoys fishing in Howe Sound. She is currently employed as a Naturalist with the Provincial Government at Miracle Beach on Vancouver Island.

I have the honour to present to you the 1974 Governor General's Silver Medal Winner for Capilano College - Miss Denise Jean Skwarok.

PRESENTED BY A. H. GLENESK, PRINCIPAL
AT THE GRADUATION CEREMONY, MAY 31, 1974

Dear Mr. Glenski,

JUN 13 1974 June 8th, 1974.

Thank you very much for presenting me with the Governor General's Medal at the Graduation Ceremonies. It is valuable to me as a memento of two experience-filled years at the College. I am proud to have been a student, and a part of the College. I will continue to encourage students to attend, especially Science students, and I hope to attend later on as a mature student.

Thank you again for your efforts with Capilano College, and with the Graduation Ceremonies.

Yours sincerely,

Denise Skwarok.
