

# WOMEN'S RESOURCE CENTRE

## CREATIVE WRITING WORKSHOP FOR WOMEN

This workshop is for women who are interested in exploring or developing their potential as creative writers. You don't have to be a professional writer or even plan to be one in order to benefit from this course. It's for any woman who enjoys writing - whether it be plays, poetry, children's stories, articles or any other type of literature.

We need 15 women in order to hold this course so we're asking you to pre-register now at the Squamish Learning Centre. If we don't get sufficient enrollment, we'll have to cancel or postpone until the fall.

DEADLINE FOR PRE-REGISTRATION IS APRIL 20.

Time: Wednesday evenings 6:30 - 9:00 p.m.

Date: May 2 to June 6 (6 sessions)

Place: Yellow Portable behind Howe Sound Secondary School

Instructor: Frances Burstein

Fee: \$20
