## **CAPILANO UNIVERSITY'S MISSION STATEMENT**

AT CAPILANO UNIVERSITY OUR MISSION IS TO ENABLE STUDENT SUCCESS IN CURRENT AND CONTINUING STUDIES, IN A CHOSEN CAREER, IN THE PURSUIT OF KNOWLEDGE, AND IN CONTRIBUTING EFFECTIVELY AS RESPONSIBLE CITIZENS IN A RAPIDLY CHANGING AND DIVERSE GLOBAL COMMUNITY.

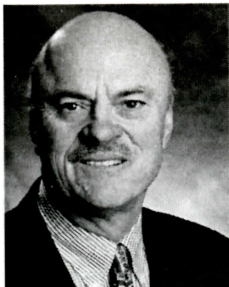

**THE CAPILANO STORY** In the early 1960s, a dedicated group of North Shore residents came together to create a place of learning for all people from all communities and from all nations.

Their vision was realized on September 10, 1968 when Capilano College welcomed 784 students to its first classes held in a small building on the grounds of West Vancouver Senior Secondary School.

In 1973, the College moved to its current location – a 13-hectare campus on Purcell Way in North Vancouver. That same year, it began offering classes in Squamish and expanded in 1977 to provide classes in Sechelt. Permanent facilities were constructed in Sechelt in 1987 to serve the residents of the Sunshine Coast, and in Squamish in 1995 to serve residents throughout the Howe Sound Corridor.

Students in Capilano's early days were taught by faculty whose values were reflected in their passion for teaching. Over the years, this commitment has remained undiminished.

In recognition of Capilano's reputation for excellence and educational innovation, and in response to the growing needs of lifelong learners, British Columbia's Premier Gordon Campbell redesignated Capilano College as Capilano University on April 25, 2008.

PETER UFFORD,  
*Chancellor, Capilano University*

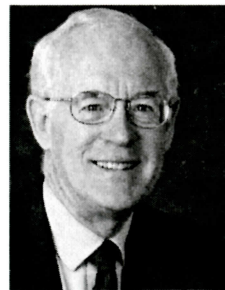

OVER A LONG AND SUCCESSFUL CAREER, Peter Ufford has held a number of key leadership positions in British Columbia. He is a current member of the Canadian Olympic committee and its Audit committee, and is a director of Wall Financial Corp, the Terminal City Club, the Rick Hansen Foundation, and numerous other organizations. He is a past director of the Vancouver Olympic Bid Corporation, the Canadian Centre for Philanthropy and the B.C. Sports Hall of Fame, and is a founding director of Quest University.

From 2000 to 2008, Peter was president of the Sea to Sky Foundation, working to establish the campus of Quest University Canada in Squamish. From 1988 to 1999, he was the vice-president of external affairs and business relations at the University of British Columbia, and from 1977 to 1987, he worked as a management and fundraising consultant to the Vancouver Aquarium and the United Way of Canada, among others.

In January 2003, Peter was awarded a Commemorative Medal for the Golden Jubilee of Her Majesty Queen Elizabeth II. He has also been recognized as a leader in philanthropy by the Governor General of Canada and the BC Association of Fund Raising Professionals.

Today, in semi-retirement, Peter and his wife Theresa operate their own family holding company and he continues to be active through community volunteer activities. They have four adult children, one who is currently attending Capilano University.

**THE ROLE OF CHANCELLOR** The Chancellor is the ceremonial head of the University and is appointed by and is a member of the Board of Governors. He is also a member of the University's Senate and presides at convocation and confers all credentials. The Chancellor will also be called upon to represent the institution at major events both on and off campus. The position of Chancellor is voluntary and runs for three years.

DR. GREG LEE,  
*President and Vice Chancellor, Capilano University*

DR. GREG LEE HAS BEEN THE PRESIDENT of Capilano College for the past 13 years and will now become the first President and Vice Chancellor of Capilano University.

Greg first accepted his post of President of Capilano College in 1995. In his time here, he has been a champion in promoting Capilano nationally and around the world. He has helped guide and support the qualities on which the institution has been built. Qualities such as excellence, innovative programming, and a teaching focussed environment.

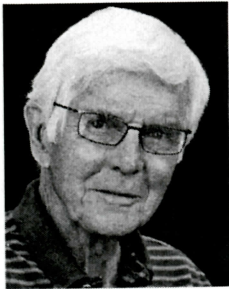

Born in Dauphin, Manitoba, Greg was raised in Deep Cove in North Vancouver, attending Burrard View elementary, Hamilton Junior High and Delbrook High. He completed his bachelor's degree and master's degree at the University of British Columbia before accepting a teaching position at Capilano College in 1971. While teaching in the Natural Sciences division, Greg completed his PhD in Physics at UBC. Prior to becoming President of the College in March 1995, he also held the positions of Division Chair, Registrar/Systems Analyst, Dean, and Vice-President, career and vocational programs.

Greg has also been active in a number of post secondary associations and committees, including the Open University of B.C. Academic Council and the Association of Canadian Community Colleges. He is a current director of Go2, is past Chair of the Canadian Bureau for International Education, and has also served on the Board of the Business Council of British Columbia.

In January 2003, he was awarded a Commemorative Medal for the Golden Jubilee of Her Majesty Queen Elizabeth II.

Life other than university revolves around family – his wife, three children, and four grandchildren.

**THE ROLE OF PRESIDENT AND VICE CHANCELLOR** The President and Vice Chancellor is the Academic Head and Chief Executive Officer of the University. The President/Vice Chancellor is appointed by and is a member of the Board of Governors, chairs the University's Senate, and is responsible for the day-to-day operation of the University.

C. PETER JONES,  
*Recipient of a Doctor of Laws, honoris causa*

C. PETER JONES HAS BEEN A GREAT FRIEND of Capilano College, and now Capilano University. In fact, many people refer to him as the father of Capilano College.

As a school trustee in the early 1960s, Peter, together with trustees from three other school districts, promoted the concept of a North Shore Community College. He became Chairman of the first College Council when Capilano College opened in 1968.

Peter graduated with honours in civil engineering from the University of British Columbia in 1948. Prior to going to UBC, he was in the Canadian Navy from 1941 to 1945, retiring with the rank of Lieutenant Commander.

Peter started his civilian career with a local consulting engineering firm, and after four years became a founding partner of Read Jones Christoffersen Ltd. Later he was a founder of Jones Kwong Kishi. Both firms continue today as prominent consulting structural engineers. In 1989, Peter was elected President of the Association of Professional Engineers and Geoscientists of B.C.

When acting as an expert witness, Peter became interested in Alternate Dispute Resolution and qualified as a Chartered Arbitrator. In 1997, he was made a Life Member of the B.C. Arbitration and Mediation Institute for "distinguished service in the field of dispute resolution." In 1998 he was elected as an Honorary Member of the Architectural Institute of B.C.

While lecturing at UBC's School of Architecture in the 1970s, Peter was elected as Alderman and Mayor of West Vancouver and spent two terms in each position. In 1995 he was made a Freeman of West Vancouver. Since 1990 he has been an active volunteer in the Palliative Care program at Lions Gate Hospital.

Peter and Eleanor, his wife of 66 years, were active for many years with the West Vancouver Senior Hikers. Their greatest joy is their close family.

# PRINCIPALS AND PRESIDENTS

**MACE** Capilano University is fortunate to have Xwa-Lack-Tun, a well-known international artist from the Squamish First Nation, design our mace. Xwa-Lack-Tun (Rick Harry) is also a Capilano alumnus.

The mace depicts the authority vested in the University to grant degrees, and also incorporates the history and tradition that surrounds both the territory of the location of our three regional campuses and the vision of Capilano University.

Its design portrays the unique territorial qualities of our region, which extends from Deep Cove to Mt. Currie to Earl's Cove on the Sunshine Coast. These qualities include reference to the animal world, to the landscape, to the directional symbolism, and to the human element. It has been carved from yew, which is a natural wood found in our region.

Responsibilities for bearing the mace originated in the office of the Bedellus or Beadle and dates from the University of Glasgow, which was founded in 1451. The function of the Bedellus was to keep the students in order, and on the days of public functions he arranged the seats for dignitaries. The duties of the Bedellus have varied greatly over the centuries. For example, in the 17th and 18th centuries the incumbent was required to regulate bonfire setting and purchase university supplies. Officially, the Bedellus is responsible for administration of the University's facilities. The most prominent role of Bedellus was and continues to be on ceremonial occasions, leading the academic procession and carrying the University mace. In keeping with this longstanding tradition, our ceremonial mace will be carried by Capilano University's Director of Buildings and Grounds, Ian Robertson.

## REGALIA FOR THE CHANCELLOR AND VICE CHANCELLOR

The Chancellor and Vice Chancellor robes are based on traditional academic ceremonial gowns. Capilano University's Chancellor's gown is black brocade with a woven dogwood flower motif, trimmed in gold brocade and edged with the Capilano royal blue silk trim. The dogwood is British Columbia's official flower. The four gold bands on both the upper and lower gothic sleeve each represent Capilano's 40 years as an educational institution. The Vice Chancellor's robes are in the same black brocade with dogwood motif, trimmed in silver brocade and edged with royal blue silk.

The robes were designed by Jane Still from Capilano's Costuming for Stage and Screen program in the School of Motion Picture Arts. They were built by Deborah Gyug, a master of costume construction.
