re: MUSICAL ARRANGMENTS FOR UPCOMING PRODUCTION

Dave,

Your name was given to me by the Music Co-ordinator as the person who might put me in touch with a music student who would, could or might otherwise be interested in doing some work on our upcoming production of Tennessee Williams "Ten Blocks on the Camino Real." What we would like is live &/or taped music to accompany the show, to go into rehearsal next term and have a three day run at Presentation House in March. If you know of anyone who might like this sort of number, could they call me at local 219?

Thanks.

Look forward to hearing from someone who'd like to dabble musically in theatre.
