Dear Mr. Lee:

Re: Vancouver's Successful Bid for the 2010 Olympic Bid

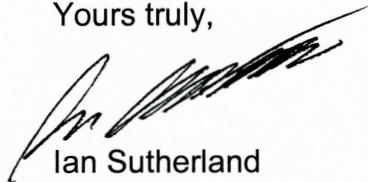

This letter is to acknowledge receipt of your July 14th, 2003 correspondence regarding the successful bid for the Vancouver 2010 Olympic Winter Games.

Thank you for your offer to help in whatever way possible to make this the best games ever. As the Heart of 2010, Squamish has some busy, but exciting times ahead. We feel that good planning and extensive partnerships will be critical.

We look forward to working with Capilano College, the community, the 2010 transition entity and the Organization Committee for the Olympic Games during this once in a lifetime journey over the next seven years.

Thank you for stepping forward.

Yours truly,

Ian Sutherland
