

## To All Students of Capilano College

Now that classes and services have fully resumed at the college, the Faculty are busy in each program area working with students to determine necessary arrangements to make up the nine days of missed classes.

It is the objective of the Faculty and Management of the college to enable students to complete the fall term with a minimum of inconvenience.

Capilano College has an 18 year record of consistent excellence in education. The college looks forward to continuing the delivery of quality education and in helping students to achieve their personal goals.
