CLASS OF '97... Students of Capilano College's commercial animation program (left to right), **David Wong, Raine Anderson and Justin Lee**, are halfway to graduation.

'TOON TIME... **Lenora Hume**, vice-president of Disney (above) TV International flew in for the official opening April 25.

DEVRON GABER of the Ministry for Skills, Training and Labour addresses students, faculty and industry guests. The college launched the two-year program last September.

HEAD HONCHO... Program coordinator **Don Perro** (above) works as an animator and designer during the summer months.

ANIMATED AMIGOS... Students are trained in animation, character design and storyboarding. Left to right: **Ian Baird, Gord Heath and Mike Alsens** have found summer work at animation studios in Vancouver.

THE COLLEGE'S animation program enjoys close ties with industry leaders. **Barry Ward** (left) is co-owner and president of Bardel Animation, student **Mike Luney's** summertime place of employment.
