

# It's A Matter of Degree

In 1976, Capilano College initiated music therapy training in Canada with a two-year diploma program. Now, we would like you to join us in celebrating our new Bachelor of Music Therapy degree status granted by the B.C. Open University.

You are invited to find out more about the dynamic field of music therapy and discover the benefits our program, our instructors and our graduates have to offer you and your field.

**Thursday, November 15**

4:00 - 6:00 p.m.

Capilano College

A Building, Room 117

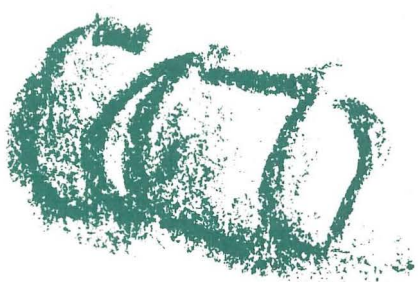

2055 Purcell Way
