Most chord struture is  
practically arithmatic, anyway*

Working with Monk brought me  
close to a musical architect of the highest  
order I felt I learned from him  
in every way- through the senses,  
theoretically, technically . I would talk to Monk  
about musical problems, and he would sit  
at the piano and show me the answers just by  
playing them. I could watch him play and find  
out the things I wanted to know. Also I could  
see a lot of things I didn't know about at all.
