A WORLD OF  
GREAT  
MUSIC

JONATHAN BUTLER

"DELIVERANCE"  
Quintet, Jonathan Butler  
delivers contemporary  
instrumental jazz with a  
cockily African feel, pep-  
pered with minimal vocals.

"OPAFIRE"

A collection of contemporary  
instrumental and vocal  
music with a subtle blend  
of world beat sounds.  
"Opafire" is catnip on  
everywhere.

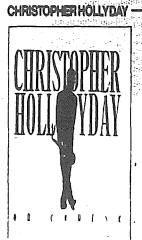

ROY HARGROVE

"DIAMOND IN  
THE ROUGH"  
20-year-old trumpeter Roy  
Hargrove is one of a dozen  
artists singled out by The  
New York Times as a jazz  
main "whose fresh talent  
promises to bring sparks to  
the new season."

CARMEN McRAE

"CARMEN SINGS  
MONK"  
Carmen doesn't merely  
apply words to Thelonius  
Monk's music. She captures  
its emotional strength, with  
her own indelible mix  
of first-edged and delicate  
inflections.

CHRISTOPHER HOLLYDAY

"ON COURSE"  
At 20, Christopher is already  
a master of the alto sax.  
With his new album, he's  
right on course with tightly  
crafted, eloquently delivered  
jazz.

MIKE STEVENS

"SET THE  
SPIRIT FREE"  
The celebrated saxophonist  
concentrates on melody,  
varied moods and pure  
emotions in this album that  
meets contemporary jazz  
and the influences of popular  
music.
