Dear Paul,

Thank you for the offer to send us down a copy of your CD Both Sides of the Same Mirror with your interpretation of "Third Stone From the Sun".

Upon review, we will send you a tear sheet. We will also keep the copy in the JIMI archives and library.

Thank you very much for this opportunity. We look forward to hearing it. By the way, since we know the exchange rate between the US and Canada is in wild fluctuation right now, we understand that many times it's better to send cash, and have enclosed that as you've requested.

Thanks,
JIMI
