Dear Paul:

Thank you again very much for your wonderful contribution of time and talent to our piano benefit. The benefit was a success - over \$2500 was raised from ticket sales and we have received just over \$6000 in personal contributions (and more are coming in each day) since the benefit. With our corporate donation and other contributions, we are now more than half-way to our goal! Everyone I have spoken with since the benefit was enthralled with your performance - it was truly wonderful.

I enclose the photo you lent me and also enclose some photos that were taken during the benefit evening. I hope you like them.

I have not yet been informed by CBC of the date the performance will air, but will let you know when I find out.

Again, our sincere thanks for making the evening a success.

Yours truly,

*Deborah*
